MEDICAL COUNCIL OF INDIA

PG Com. dt. 01/03/2016

No. MCI-96(22)/2015-Med/ 174439/

Date: 11/03/16

Item No. 10

The Dean/Principal,  
V.S.S Medical College,  
Burla, Sambalpur, 768017, Odisha.

Subject: Sambalpur University - Recognition of MD (Radio-Diagnosis) qualification against increased intake from 02 to 03 seats in respect of students being trained at V.S.S. Medical College, Burla, Sambalpur.

Sir/ Madam,

I am directed to state that the Postgraduate Medical Education Committee of this Council at its meeting held on 01/03/2016 considered the Council Assessor's Report (June, 2014) and compliance dated 24/08/2015 submitted by the college authorities on the standard of examination and other teaching facilities for Recognition of MD (Radio-Diagnosis) qualification against increased intake from 02 to 03 seats at V.S.S. Medical College, Burla, Sambalpur granted by Sambalpur University and decided as under:-

"The Postgraduate Medical Education Committee considered the Council Assessor's Report (June, 2014) and compliance dated 24/08/2015 submitted by the college authorities and decided to recommend not to recognize MD (Radio-Diagnosis) qualification against increased intake from 02 to 03 seats granted by Sambalpur University in respect of students being trained at V.S.S. Medical College, Burla, Sambalpur because of the following facts:

✓ Compliance is not satisfactory.

1. Deficiency of faculty: (a) Asst. Prof.: 1 remains as such. Institute in its compliance has not considered additional requirement for PG courses.
2. Shortage of Senior resident remains as such. No compliance is submitted in this regard.
3. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 02 to 03 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within four weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats."

In view of above, you are requested to rectify the above deficiencies within 4 weeks from the date of dispatch of this letter and submit the compliance in hard copy as well as soft copy (in table format preferably in MS Word) along with demand draft of Rs. 1,00,000/- in favor of Secretary, Medical Council of India, payable at New Delhi within stipulated time for further
